UK-based Mortgage Company Vida Homeloans Wins First Ever Award after Six Months of Trading

6/14/2017

Vida Homeloans (the trading name of Belmont Green Finance Limited) has been awarded 'Best Lender for Partnership with Legal & General Mortgage Club' as voted for by Legal & General staff. The other three finalists were long-established UK-based mortgage lenders Halifax, Accord Mortgages and joint award winner Virgin Money. This award is based on the quality of the working relationship between the lender and Legal & General staff who work with around 60 lenders in total.

Not only is this Vida Homeloans' first award but also a highly valuable one from its top business partner. It is a tribute to everyone at Vida who has supported – and continues to support - the building of a great relationship with the largest mortgage intermediary in the UK.

Vida Homeloans can now use the prestigious L&G Mortgage Club award logo on all its marketing material and communications.
